Student Curfew

1. Curfew for students on Wednesday, Thursday and Friday nights is from 11 pm until 6 am. Curfew for students on Saturday night begins at 11 pm or one hour after the end of the concert and lasts until 6 am. Curfew means that students must be in their rooms and remain there during the hours stated.
2. Thirty (30) minutes after curfew, students not in their assigned rooms will be subject to withdrawal. If curfew is violated, members from the violator(s)' school component group will not be accepted for participation in the professional development conference the following year.

Student Conduct

1. Students in hotel rooms must remain reasonably quiet at all times, both day and night. People in neighboring rooms who are not connected with the conference may be trying to sleep. Television and radio may be played only with volume at low level.
2. Hotel rooms are bedrooms. Under no circumstances should students visit or entertain others of the opposite sex in their hotel rooms.
3. Hotel room doors should be locked at all times. Extreme care should be exercised near hotel windows, and nothing is to be thrown from windows. Students are not allowed on hotel roofs.
4. Chaperones should have all rooms checked before leaving hotels so that damages, if any, can be determined immediately.
5. Students are not to visit students in other hotels without the permission of a chaperone. Students are not allowed in cars except with chaperones.
6. No alcoholic beverage may be in students' possession at any time.
7. Illegal use of drugs in any form is absolutely prohibited.
8. Use of tobacco products in public by students is prohibited.
9. Students should engage in activities of a group nature only. Under no circumstances are social dates involving students allowed.
10. Students should wear appropriate clothing, including shoes, at all times.

Registration and Chaperones

1. All participants (directors, students, chaperones and guests) must be registered for the conference.
2. Only directors are to register their groups or pick up registration materials if preregistered.
3. All participating students must be chaperoned. At least one chaperone other than the director is required for every six students.
4. If the director does not accompany a participating student from that student's school, then the principal from that school must furnish a letter designating who is to be in charge of the student. The letter from the school should be addressed to the FMEA executive director and submitted with registration materials.
5. Student observers are not allowed to attend the conference. If any student observers are brought to the conference, the offending school's participation in the conference may be eliminated the following year.
6. All school music teachers must register for the conference as directors and be current members of FMEA.

Rehearsals and Name Badges

1. Name badges must be worn at all times by students, directors, guests and chaperones.
2. Lost badges may be replaced at the registration desk by the director only, who must appear in person and pay the appropriate fee. The original registration receipt must be shown to obtain replacement badges.
3. Each component president is responsible for the policing of his or her groups and rehearsals.

Mary Biddlecombe serves as artistic director of the Blair Children's Chorus at Vanderbilt University. She conducts each of the six graded choirs of the program, including the Concert Choir (high school girls), Young Men's Chorus (changed men's voices), Choristers (middle school girls), Boychoir (unchanged boys), Training Choir and the select treble ensemble Chorale. Ms. Biddlecombe has taught music at every grade level. Choirs under her direction have been invited to perform for conventions of the American Choral Directors Association, as well as for symphonic works with significant orchestras. Recent projects have included Benjamin Britten's War Requiem, Roger Waters' Ça Ira and Gustav Mahler's Eighth Symphony with the Nashville Symphony Orchestra, and John Rutter's Mass of the Children with the Vanderbilt Symphony Orchestra and Symphonic Choir. Upcoming engagements include John Adams' On the Transmigration of Souls, Mahler's Third Symphony and Leonard Bernstein's Mass. Ms. Biddlecombe is in demand as an adjudicator and clinician and has presented interest sessions at conferences all over the Southeast. A native of Syracuse, N.Y., she holds the MM in conducting from Florida State University and the BME from the Crane School of Music at SUNY Potsdam. All-State Concert Chorus

Conductor: Dr. Craig Hella Johnson

Accompanist: Jan Corrothers

Coordinator: Jason Locker

Saturday, January 14, 2017

6:30pm-7:30pm, Straz, Morsani Hall

As Conspirare's founder and artistic director, Craig Johnson assembles some of today's finest singers to form a world-class ensemble. He is also music director of the Cincinnati Vocal Arts Ensemble and conductor emeritus of the Victoria Bach Festival. He has served as guest conductor with Austin Symphony, San Antonio Symphony, Oregon Bach Festival, Harvard University and many others in Texas, the United States and abroad. Dr. Johnson was director of choral activities at the University of Texas at Austin from 1990 to 2001, and he remains an active educator, teaching workshops and clinics statewide, nationally and internationally. In fall 2012, he became the first Artist-in-Residence at Texas State University School of Music. A composer and arranger, Dr. Johnson is an editor for the Craig Hella Johnson Choral Series, featuring specially selected composers as well as some of his own original compositions and arrangements. His music is also published by Alliance Music Publications. Dr. Johnson's pieces are in high demand by choirs across the United States, which also commission his work. Dr. Johnson's first concert-length composition, Considering Matthew Shepard, was premiered and recorded by Conspirare for a 2016 CD release. The Bay Area Reporter wrote: "… it has the richness, depth and complexity to compel repeated hearing ... for all the musical styles Johnson employs ... it has a unity of conception and voice that is all Johnson's. Considering Matthew Shepard is a deeply American piece, performed with utter dedication by performers for whom it was composed. But its universality lies in the fact that it could be performed by many others—and must be, for all our sakes." Dr. Johnson's accomplishments have been recognized with numerous awards and honors. Notably among them, he and Conspirare won a 2014 Grammy® for Best Choral Performance, Chorus America granted him the Michael Korn Founders Award for Development of the Professional Choral Art in 2015 and the Texas State Legislature named him Texas State Musician for 2013. Other honors have included 2008 induction into the Austin Arts Hall of Fame, Chorus America's 2009 Louis Botto Award for Innovative Action and Entrepreneurial Zeal and the 2011 Citation of Merit from Mu Phi Epsilon international professional music fraternity. Dr. Johnson studied at St. Olaf College, the Juilliard School and the University of Illinois, and he earned the DMA at Yale University.

Music In Our Schools Month®

How does music inspire you and your students?

Join NAfME in celebrating the 2017 Music In Our Schools Month!

What is Music In Our Schools Month®?

Music In Our Schools Month® (MIOSM®) is NAfME's annual celebration held during March that engages music educators, students and communities from around the country in promoting the benefits of high-quality music education programs in schools.

Music In Our Schools Month® began as a single statewide advocacy day and celebration in New York in 1973 and grew over the decades to become a month-long celebration of school music in 1985.

How can I get involved in Music In Our Schools Month®?

Music teachers celebrate MIOSM® in many ways by offering special performances, lessons, sing-alongs and activities to bring their music programs to the attention of administrators, parents, colleagues and communities to display the positive benefits that school music brings to students of all ages.

National Association for Music Education

NAfME provides many special resources for teachers and schools to use in their concerts, lessons and advocacy events that highlight the importance of school music.
